

Climb your future with

UNITA RESEARCH INFRASTRUCTURE

Shared equipment database

Optimize Your Research Projects with UNITA's Shared Infrastructure Database

Gain access to cutting-edge equipment and platforms from our 12 partner institutions in the UNITA alliance.

<https://reunitaresearchinfrastructure.i3a.es/en>

Why use this database?

- Access state-of-the-art equipment for your research projects.
- Collaborate with fellow researchers and partners.
- Leverage shared resources across various disciplines.

6 RESEARCH HUBS

The database supports research in six key areas:

Circular Economy & Environment

Cultural Heritage

Digital Transition

Global Health

Inclusive Societies

Green Energies

Funding for your projects!

The call for applications for partial funding of shared equipment and platform usage is now open. This support will help to enhance the impact of your projects.

Eligibility Criteria & Terms

To be eligible for this call your project must:

- involve two or more UNITA partners,
- be connected with HUBs,
- include funding for equipment usage or technical training.

Don't miss out on this opportunity
to elevate your research!
